PROFILE

Motivated and detail-oriented **Computer Programming Student** with hands-on experience in coding, software development, and web technologies. Proficient in multiple programming languages and passionate about building efficient, user-friendly applications. I am eager to apply academic knowledge in real-world projects and contribute to innovative solutions in the tech industry.

SKILLS

- **Programming Languages**
- **Web Development**
- **Database Management**
- **Version Control**
- **Software Development**
- **Problem-Solving**
- **Collaboration**

EXPERIENCE

Programming Projects (Student)

2023 – Present

- Collaborated on a team to build a **Java-based library management system** that streamlined book tracking and borrowing processes.
- Designed a responsive **portfolio website** using **HTML, CSS, and JavaScript**, showcasing projects and technical skills.
- Developed a **Python-based data analysis tool** to clean, process, and visualize datasets for academic research.

EDUCATION

St. Clair College
2023-Present
Computer Programming

GNDU
2021-2022
Diploma in Computer Applications
